WITH COMMON SOFT SERVE MIX POWDER

Directions For Commercial Soft Serve Machines

Step 1:
Add ½ gallon of water to a clean mixing bucket.

Step 2:
Add entire bag of Shivery Shake soft serve mix to the water.

Step 3:
Use a wire whisk to completely dissolve the powder.

Step 4:
Add more water to fill to 1 gallon mark on bucket and stir.

Step 5:
Pour mixture into soft serve machine or cover and refrigerate.

Step 6:
Serve creamy and delicious Shivery Shake soft serve!

SOUTHTASTY SOFT SERVE MIX UHT LIQUID READY TO USE

JUST OPEN IT AND PUT
THE LIQUID MIX INTO THE MACHINE

ABOUT US

SOUTHTASTY LLC is a commercial partner for WATT'S S.A. in the United States.

WATT'S S.A. is a Chilean open stock corporation with a strong national and international presence in the mass consumption industry. Founded in 1875, our company has a rich history rooted in a process of mergers and acquisitions within the food and beverage sector. Over the past decade, WATT'S has experienced significant growth through strategic acquisitions, establishing itself as a long-standing player in the Chilean market.
